## Privacy statement

I request a second opinion regarding therapy and / or diagnosis from the Medical Center-University of Freiburg via tele-consultation / teleradiology.

I herewith consent to this second opinion being carried out either in writing or via teleconsultation. The second opinion will be based on my medical reports / my radiological images. An immediate personal contact between doctor and patient does not take place.

I consent to my medical reports / radiological images being stored in the hospital information system. I agree that my second-opinion report will e-mailed to me. I waive the secure transmission of my medical documents and am aware of the risks of unsecured e-mail communication.

Unless we are otherwise notified, we shall assume that you agree with this procedure.
