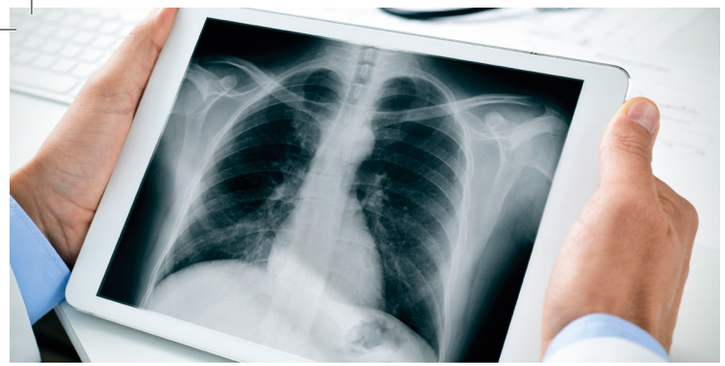
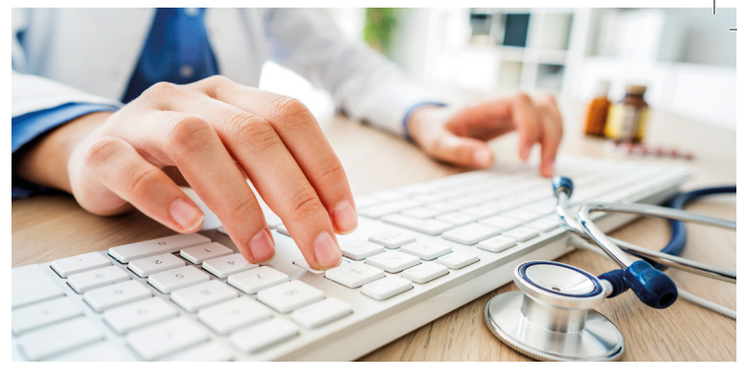
SECOND OPINION

Medical Center – University of Freiburg, Germany





» SECOND OPINION

Enquiring about all possible treatment options is vital prior to making a decision.

The Medical Center – University of Freiburg offers an excellent opportunity to receive an additional consultation while eliminating the extra costs of travelling. You can ask our specialists to confirm your diagnosis, discuss your treatment options with our senior specialists and, if necessary, prepare your treatment plan.

The Medical Center - University of Freiburg offers the following types of second opinion services:

» TELERADIOLOGY

Our highly qualified team of radiologists and nuclear medicine specialists evaluate radiological images such as MRI, CT, PET-CT or mammography taken in the patient's home country and provide a second opinion. Our medical specialists will provide you with a medical report based on image evaluation. Your medical report will be ready within 5 working days.

Image evaluation fees:

- One anatomical region 165 €
- Three or more anatomical regions 495 €
- PET-CT 330€

Express evaluation (2 working days) +50 €

» ONLINE-CONSULTATIONS

Online-Consultation - live consultation with our senior medical specialists in various disciplines via a video conference.

You and your local physician can discuss your treatment options and diagnostics strategy with our medical specialists. An interpreter is available during the whole online consultation.

This service includes:

- Thorough examination of the patient's medical documents and of the request form
- Live online consultation with a senior medical specialist
- Interpreter services during the teleconsultation
- Technical support by the German IT

Online-Consultation fees:

• 20 min.	450 €
• 40 min.	650 €
• 60 min	900 €

» WRITTEN SECOND OPINION

You can get a comprehensive written second opinion from one of our top specialists without having to leave your home country.

Your written second opinion will be ready in 4 to 8 weeks, depending on the diagnosis. Please note that evaluation of radiological images is not included in this service.

Please send us your medical reports in English or German in pdf or word format. Your written report will be sent to you in German. Translation of the report into English can be ordered additionally.

Written second opinion fees: from 450 € to 900 €.
